ABOUT US

Dear Colleagues & Partners/Well-Wishers,

We are Feeling very happy to introduce our new Venture RAMESSA with wide range of sanitaryware Products.

wares is a modernized international enterprise integrated with R&D, manufacturing, sales and service. We have a complete sales strategy and efficient sales team, applying brand strategy, setting up enterprise image, and Advocate and Pioneer in the field of world class sanitary ware.

Keep improving and striving for excellence is the core strategy to our quality requirement. The company is devoting itself to exploring deeper on global sanitary ware so as to provide high-quality products and sincere, sophisticated service to the whole society and customers, to build up the better life for all humans.

Manufacturing Facility

Our use of innovative manufacturing technologies means that we are able to create excellent quality sanitary ware products in the latest designs at extremely competitive prices.

is a company that has big scale, high technology and a variety of products. It has over 20 Series of sanitary wares including art basin, cabinet basin, wall-hung toilet, one-piece toilet, two-piece toilet, pedestal basin, wall-hung basin, counter basin, art basin, urinal.

From design to manufacturing, we only use the most technologically advanced materials and processes. This has ensured our position as market-leader and innovative creators of sanitary and bathroom wares.

Quality

Our Company has established cooperative relationship with foreign countries, that introduce advanced technology and management from Spain and Italy for reaching the international advanced standards of performance.

TECHNICAL FEATURES

A rimless toilet is simply a toilet without a traditional rim. Instead of water flowing into the bowl all the way round the rim, a direct flush technique shoots water around the edge of a smooth pan. As there is no rim, rimless toilets are easy to clean and more hygienic than a traditional toilet.

HOW IT WORK

- * Large water surface offers easy cleaning
- * Extra large siphon jet for maximum power
- * Elegant skirted design offers easy cleaning
- * Large computer designed, fully glazed trap way reduces clogging

WALL HUNG PRODUCTS

As per shown in the picture, the rag bolt must be grouted into the cement/concrete wall. The bolts must be fixed to the cement/concrete wall. Allow setting & checking than install it using nut and washer.

COUNTER WASH BASIN

At the beginning

- A skilled or experienced person should install counter lavatories.
- Avoid using adhesive with this product.
- Check the waste area and supply tubing if required.
- Do not open the lavatory from its protective carton until you are ready for installation. Please follow all local building and plumbing codes.

MATERIAL & TOOLS

Measure tape, Keyhole or saber saw, Hammer, Glasses, Rags or Paper toweling, Drill (1/2 dia. drill bit or larger), Pencil, Sealant, Sharp knife or scissors.

INSTALLATION OF LAVATORY

Please Note: Please install it in a way that future removal from underneath the counter top is possible without damaging the counter top.

- Please check the desired location for clearance between the back splash, faucet, fixture and cabinet.
- Please cut the template.
- Please carefully trace the template on the counter top directed.
- Please mark the faucet hole centerline in the counter top.
- Please drill a 1/2' pilot on the inside of the cut line.

FOR WOOD COUNTER TOPS:

Mark and pre-drill the wood screw holes at the locations shown on the template. Waterproof any exposed areas of wood.

FOR MARBLE COUNTER TOPS:

Position the counter top upside down on the foam padding to protect the surface. Mark and drill 3/6" holes 5/8" deep at the locations shown in the template.

Use a setting tool and hammer to secure the anchors.

FOR ALL INSTALLATIONS:

If the counter top has not been installed, install it at this time.

Drill the faucet holes according to the faucet installation instructions.

Install the faucet to the counter top according to the manufacturer's instructions.

Install the drain to the lavatory according to the manufacturer's instructions.
